SUBJECT: Organizations Opposed to the Imposition
or Increase of Excise Taxes

Attached is a list of organizations which have either publicly stated their opposition to excise taxes or voted against them through their representatives on the President's 1982 Advisory Council on Social Security.

It is important to point out that not all of the groups listed here have expressed their specific opposition to the proposal to earmark excise taxes to help finance Medicare, but rather the imposition or increase of taxes in general.
